Presentation texts in ppt

Slide 1 **HEALTH IN ITALY**

Slide 2 **HEALTHCARE**

To have the right to healthcare it is necessary to register with the National Health Service (Servizio Sanitario Nazionale)

Where?

At a local health authority (ASL, azienda sanitaria locale)

Warning

Your relevant ASL is indicated on the residence permit (permesso di soggiorno)

Slide 3 **REGISTERING AT AN ASL**

To register at an ASL and obtain a health card, you must provide:

- identity card (passport)
- tax code (codice fiscale)
- residence permit (permesso di soggiorno)
- self-certification of residence or dwelling

Warning

You must go to an ASL to choose a family doctor and paediatrician for children

Slide 4 **HEALTH CARD**

The health card is regional

Warning

In the case of a transfer to another region, inform your home ASL
If the ASL is informed, you may continue to use all of the health services
(doctor, paediatrician, medicines, hospital,... etc.)

Slide 5

WITH THE HEALTH CARD

The citizen has the right to:

- visit the doctor
- see a specialist
- request a home visit
- a hospital bed
- vaccinations
- blood tests
- x-rays, ultrasounds

Slide 7

ACCIDENT & EMERGENCY

In the case of a serious illness or an accident:

- go to Accident & Emergency
- or call 118 for an ambulance

Warning

At A&E the waiting time depends on the seriousness of the situation

Slide 8

WAITING IN ACCIDENT & EMERGENCY

Code red

The health of the patient is very serious: they have priority for a medical assessment

Code yellow

The health of the patient is serious: a brief wait for a medical assessment

Code green

The health of the patient is not serious: a long wait and a medical assessment after the more serious incidents have been attended to

Code white

The health of the patient is NOT at all worrying: a very long wait and a medical assessment only after all of the other patients. In some cases you may be required to pay for a ticket

Slide 9

MINOR HEALTH ISSUES

- headache
- toothache
- tummy ache
- stomach ache
- cough, cold ...

For minor health issues

- visit the pharmacy
